# SSDB Launch Party

We were thrilled to embark on a meaningful journey to understand and celebrate diversity through our inaugural SSDB project on Racial Harmony Day.

# Racial Harmony Day + SSDB Launch Day 2024

Small Wonder @ Nee Soon marked the beginning of our inaugural SSDB project on Racial Harmony Day. We believed that by coming together, we could create a school environment where every child felt valued and respected for who they were.

# Parent Volunteers!

One of the key components of this project is the involvement of parent volunteers, which aligns with the theme of *Doing Good Together*.<sup>™</sup> By volunteering, parents actively contribute to their children's education and development, creating a supportive and collaborative environment where everyone works together for a positive impact.

By sharing their cultural experiences, parent volunteers embody the spirit of *"Doing Good Together,"* enriching the learning environment, strengthening family bonds, and fostering a sense of community. Their involvement highlights the positive impact of working together toward a shared goal, demonstrating how collective efforts can create meaningful learning experiences.

Through engaging activities, we came together to explore the rich cultures and traditions that make Singapore a diverse and harmonious nation, embodying the spirit of *"Doing Good Together."* By learning from one another, we fostered understanding, unity, and a shared appreciation for our vibrant community.

# K2's Visit to All Saints

The SSDB project continued with a happy performance by the K2 children at All Saints Home.

# A Heartfelt Experience with K2 Children

Children dedicated weeks practicing songs and games, then delivered a wonderful performance for the seniors. Activities included singing a variety of songs and engaging in fun games.

# Performance Day

**The project served as a touching and meaningful experience. We felt grateful to contribute positively to our community.**
