# Message

The 'Start Small Dream Big' movement has seen remarkable growth over the years. It is enabling our young ones to learn through their own actions and words, how to care for others, empathise, and treat them with respect. These values are at the heart of the inclusive society that we are all responsible for.

The idea too is that the children's habits will rub off on others in the community. By showing appreciation to their parents, grandparents and caregivers, and to their neighbours and friends in the neighbourhood, children contribute in their own ways to both caring families and a caring community.

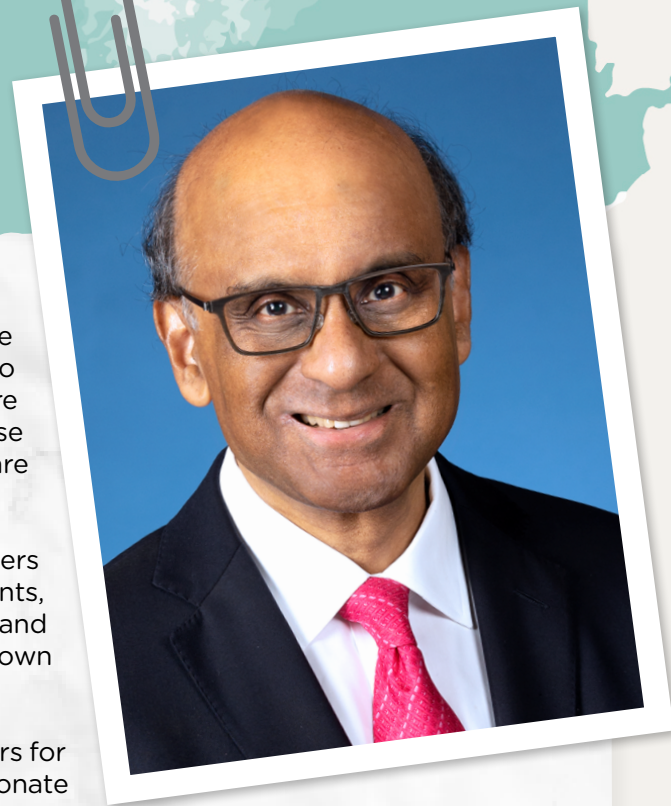

My appreciation goes to the teachers, parents and partners for supporting our children as they grow to become compassionate and active citizens.

To all our children: keep up your acts of kindness and continue to inspire those around you to do good!

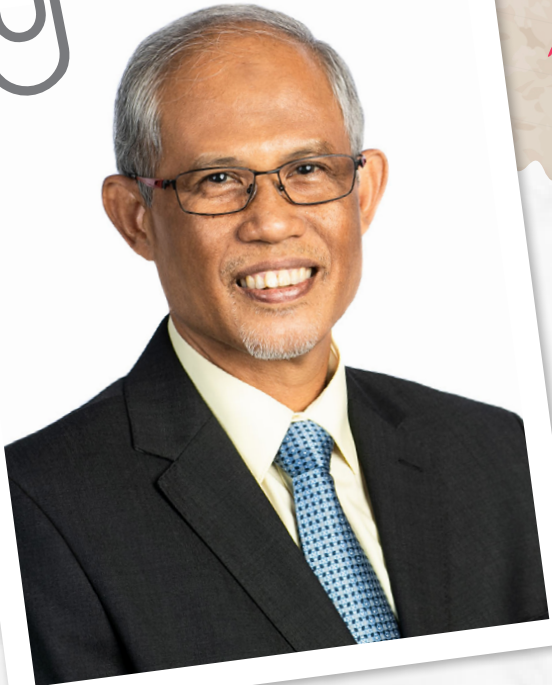

**Mr Tharman Shanmugaratnam**

President of the Republic of Singapore

# Message

This year, we commemorate the 9th edition of the ‘Start Small Dream Big’ movement with a record number of 77,000 children from 1,130 preschools. This is more than a nine-fold increase since it was started by the Early Childhood Development Agency in 2015. This movement demonstrates that one is never too young to serve others and contribute meaningfully to society.

Through participating in community projects, children learn about volunteerism and important values such as compassion, care and respect. They also develop positive social and emotional skills, including empathy, self-regulation and resilience. These can help them navigate their way through challenges and contribute to society later in life.

This year’s theme, “Many Helping Hands, Caring for Everyone”, embodies the spirit of the Year of Celebrating Social Service Partners and our collective efforts in building a caring and inclusive society. By bringing together preschools, families, social service partners, and other members of the community, we can build a nurturing environment that enables our children to achieve their fullest potential and contribute meaningfully to society.

“Start Small Dream Big” is not just an initiative for our children. It is also a reminder to adults that small actions can make a big impact. Let’s continue to support this movement to shape our future together, and build a more caring, inclusive and resilient Singapore.

# Foreword

At the heart of 'Start Small Dream Big' is the belief that one it is never too young to contribute to society. Launched in 2015 by the Early Childhood Development Agency to commemorate the 15th anniversary of President's Challenge, this initiative has since transformed into a substantial movement in our early childhood community. It helps shape our children's tomorrow by promoting character building and instilling positive values through service learning.

It is heartening to see the movement growing from strength to strength, not only in participation rate but also in home-preschool-community partnership. This partnership is important as it helps create a supportive and nurturing environment for children to learn and grow.

Teachers and parents play a key role in the success of this movement as they guide the children in their projects and model positive behaviour through daily interactions with them. When parents are actively involved in their children's learning and development, the children would have a better preschool experience due to stronger parent-teacher partnership.

Our community partners also play a crucial part by providing resources and support to our preschools. Whether it is through volunteering, donating, or simply offering a helping hand to someone in need, we are nurturing a generation of caring and empathetic individuals who can make a difference to our society. I thank the "Many Helping Hands" who have contributed in one way or another to the success of the 'Start Small Dream Big' movement. Together, we can give our children a good start in life and help them achieve their full potential!

# Many Helping Hands, Caring for Everyone

The theme for this year's 'Start Small Dream Big' is "**Many Helping Hands, Caring for Everyone**", in support of the 'Year of Celebrating Social Service Partners' where we recognise the contributions of our partners. It encourages preschools, families and community partners to work together to empower children to provide care and support to people around them. The theme is also in line with the President's Challenge 2023 focus on 'Caring for Caregivers', to inspire our children to show appreciation for caregivers.

This year, 77,000 children from 1,130 preschools joined the movement, which seeks to inculcate positive values, such as kindness, compassion and respect. This is more than a nine-fold increase in participation since the movement started in 2015, when 8,000 children from 150 preschools pledged their commitment to serve the community as part of the SG50 celebrations.

The eighth President of the Republic of Singapore, Madam Halimah Yacob, launched this year's 'Start Small Dream Big' on 28 April 2023, Friday, at E-Bridge Pre-School (Sengkang Square). She was joined by Minister of State for Social & Family Development and Home Affairs, Ms Sun Xueling. The preschool worked with families of their children to give back to the community, while caring for the environment and advocating for sustainable practices.

All SSDB preschools received a 'Start Small Dream Big' Resource Package, filled with many resources for teachers and children to use throughout their projects. A total number of 28 community partners supported the movement this year, and parents were encouraged to participate in their children's project activities.

At E-Bridge Pre-School (Sengkang Square) earlier this morning, I was heartened to hear how pre-scholarships have been regularly engaging the residents and caregivers at St Luke's Elder Care as part of their Start Small Dream Big (SSDB) project.

This year's theme, "Many Helping Hands, Caring for Everyone", aligns with President's Challenge 2023's focus - "Caring for Caregivers". Our children can, too, play a role in making Singapore more caring and inclusive society. By participating in community-wide efforts, they learn compassion, care and inclusiveness, as well as inspire others to do good. Our children learn to show appreciation to their caregivers, including their parents and grandparents.

Indeed, no one can do everything, but everyone can do something. As we continue to grow a caring community, we are strengthening the resilience of our nation.

I encourage more to come on board!

Happy to join President Halimah Hooib at the launch of 'Start Small Dream Big' (SSDB) 2023 at E-Bridge Pre-School @ Sengkang Square today.

This year's SSDB theme "Many Helping Hands, Caring for Everyone" embodies the spirit of the Year of Celebrating Social Service Partners. I'm happy to see our little ones and their families joining hands with partners to extend care and support to those around them.

Through their SSDB project, the children at E-Bridge Pre-school will be engaging seniors in the community. Together with their teachers and families, they will create beautiful crafts from natural and recycled materials as gifts for the elderly and their caregivers.

Let's cheer our children on in their efforts and give them our support. Indeed, no one can do everything, but everyone can do something!

# Featured SSDB Projects

## Everyone Matters

### Ace @ Work Childcare Pte Ltd

Through the movie, 'Inside Out', the K1 and K2 students were introduced to their SSDB project, which aimed to raise awareness on the significance of mental health and wellness. The children discussed about the emotions they feel, and what they do when they feel overwhelmed. One of the answers to what they do to make them feel better was smelling scented candles, so they set out to make their own candles. The children packed the scented candles and wrote notes that they think would lift the spirits of someone feeling down. The candles were then given out to people in their community!

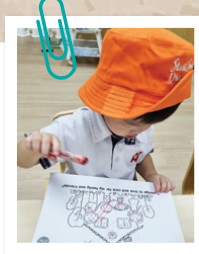

## Celebrating Relationships: The Language of LOVE!

### Agape Little Uni @ Gambas

This year, the centre chose to focus on caring for family and friends. The children learned different ways to nurture relationships and were introduced to the five love languages - physical touch, receiving gifts, acts of service, words of affirmation, and quality time. This enabled them to express love towards their family members, friends and others. Parents were invited to collaborate in an artwork with the children, titled "We are FAMILY", inspired by Vincent Delgado. The artwork symbolised their strong bonds and spirit of togetherness. Their project culminated in a Sports Day where children and parents participated in sports activities that brought them closer as an Agape family.

# Showing Love and Care

## Bethel Preschool

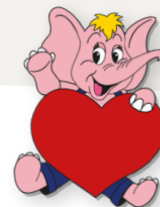

For their SSDB project, the preschool reached out to lower-income families who are under MSF's Community Link (ComLink) programme. The teachers held discussions with the children and asked what they could do to help these families. After brainstorming for ideas, they decided to visit and distribute care packs to the families staying in rental flats. Parents contributed by bringing their children to the supermarket to buy food items. The children, along with their teachers and parents, handed out the care packs to residents at the rental block. Empathy, love and kindness start from young!

# A Heart To Love

## Bright Kids @ Jurong West

The centre planned a series of engagements with the community for the children to learn about kindness, love, respect and gratitude. After launching their SSDB project with the Sharity mascot in their school, they went on a learning journey to Woodlands Bus Interchange to express their appreciation to the bus captains. They also exercised with their grandparents to slow down the onset of dementia, distributed kindness bags to the elderly during their neighbourhood walk, collaborated with Jurong West Secondary School to reinforce the objectives of The Kindness Movement, and ended their project with a visit to SAGE Counselling Centre with the Sharity mascot to do craft work with the elderly.

# Our Vegetable Garden

## Changi Bethany School-House

For their SSDB project, the centre decided to work on building a sustainable future by growing their own vegetable garden. After weeks of nurturing, the seedlings planted by the children were grown and ready to be harvested. With their teachers' guidance, the children cut the plants' stems and gathered the leaves. They presented a packet of the vegetables to their community partners, and brought home some to share with their families too. Although their project has ended, they will continue to make use of the planting resources to grow different varieties of plants.

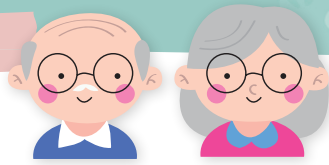

# Our Earth, Our Future: Let's Continue to Preserve and Nurture

## Childfirst @ Dunearn Pte Ltd

The centre embarked on their SSDB project on Earth's Day, with a celebration where children learned how to take care of the environment by planting flower seeds. They also learned about the various types of materials that can be recycled, as part of their efforts to move towards zero waste. In June, the children worked together to design and draw posters to raise awareness on protecting the earth. In July, they involved parents in a park clean-up at Bishan-Ang Mo Kio Park, to keep public spaces clean and safe. To conclude their project, the children used all the recyclable materials they had collected to create a diorama of iconic landmarks in Singapore to celebrate Singapore's 58th birthday. The children learned to appreciate their environment and help preserve their home on Earth!

# HELP (Happy Elderly Link Project)

## Ci Ai Education Incubator

As part of their SSDB project, the children visited Jurong West Nursing Home and participated in activities such as cooking, gardening, and art and craft with the elderly at the Home. They also performed dances and songs for patients at Sengkang Hospital. Parents donated bottle caps for the children to create an art piece to show their love for the elderly. They also participated in a "Bathing Ceremony for the Little Buddha" during their visit to the Home. Both the children and elderly enjoyed playing games together. This collaborative effort not only fostered creativity but also brought joy to everyone involved!

## Giving with Love

### Clementi Woods Kindergarten

Unlike the previous year's virtual sessions, the children now had the opportunity to meet the elderly residents of St. Luke ElderCare (Clementi) in person. With nutritious treats and thoughtful greeting cards prepared, they brought joy to the elderly. Through enthusiastic songs and engaging activities, the children not only shared happiness but also learned to respect and value our elderly in the community.

# Appreciate Our Heroes

## Foochow Methodist Preschool

The children wanted to show their appreciation to healthcare workers who have worked tirelessly during the pandemic. After discussing about their project, they realised that there are many seniors who live in nursing homes, and that the doctors and nurses taking care of them were their greatest support. The children created special cards and a bulletin board made out of their handprints to symbolise the many helping hands of healthcare workers. They delivered their cards to Kwong Wai Shiu Hospital, where the staff were touched that the children remembered their efforts even after the pandemic.

# Love Our Planet

## Harmoni Preskool @ Buangkok

The focus of the centre's SSDB project was on the importance of protecting and saving our planet. The children were asked to share different ways they can play a part in looking after the environment. They then embarked on creating crafts using recyclable items to raise funds for the Singapore Children's Society. Each child selected items to create, such as maze games, stationery holders and wind chimes. The children's parents were very supportive and donated generously at the fundraising event!

# KidSTARTs with You!

## Iyad Perdaus (Hougang)

Children and teachers from the centre became volunteers for KidSTART Singapore for their monthly distribution drive. With the help of parents, they went door-to-door to deliver bags of healthy food to families under the KidSTART programme. They also organized a bake sale to raise funds for KidSTART families. Parents contributed ingredients for the children and teachers to bake desserts, such as honey cornflakes, fruit-flavored jelly (dadih) and graham balls. The children also took on the role of selling the desserts during the Bake Sale!

## Uniquely Singapore

### Kiddiwinkie Schoolhouse @ Cactus

The centre decided to show their care and appreciation for the Pioneer Generation by visiting a nursing home. As the children embarked on the topic of “Uniquely Singapore”, they learned the importance of the Pioneer Generation in the building of Singapore. They crafted art pieces as gifts for the elderly, and gathered parents’ support by organising a donation drive for food and other necessities requested by the elderly home. The children finally visited the elderly at Man Fut Tong Nursing Home, and engaged in activities such as puzzle games and simple hand exercises. The experience left the children with a sense of achievement and joy, knowing they brought happiness to the elderly at the nursing home!

# I Love My Community!

## KidsCampus @ West Coast x Jamiyah Nursing Home

As an extension of their 'I <3 My Family!' project, KidsCampus @ West Coast partnered with Jamiyah Nursing Home for intergenerational activities. Prior to the visit, the children brainstormed and prepared the activity resources. They performed National Day songs, painted Vanda Miss Joaquim and played Bingo with the seniors. Parent volunteers were onsite to support the visit. 'Thank You!' cards from the children were gifted to Jamiyah Nursing Home's staff. Overall, the session brought immense enjoyment to the children, parents, staff and seniors alike.

\*This collaboration was facilitated by the Agency for Integrated Care and supported by Community Chest.

# Caring for the Differently-Abled

## Kidz Meadow Childcare @ Jurong West

To introduce their SSDB project to the children, the centre invited therapists from SPD (Serving People with Disabilities) to share about their profession, and the importance of inclusion and supporting our differently-abled peers. The children experienced using assistive devices and asked thoughtful questions about the disabled. As part of their collaboration, the centre aimed to assist young children with physical, sensory and developmental difficulties to be part of mainstream society. The children created stress balls as a therapeutic tool for these children, to relieve their tension and anxiety and to help them focus. They also made playdough to share with their friends at the SPD centre, for them to play and explore with!

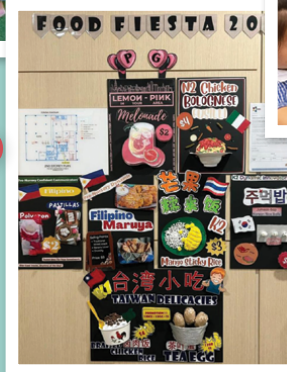

# Alone We Can Do So Little; Together We Can Do So Much!

## Learning Vision @ Changi Business Park

Children and their families participated in a fundraising campaign, Food Fiesta, a food carnival that serves unique cuisines from around the world. The children were involved in a cookery session, and then given a hands-on entrepreneurial experience by manning their respective stalls during the Food Fiesta event. The centre partnered with The Food Bank Singapore (FBSG), and funds raised went to purchasing food bundles for the less fortunate. FBSG also conducted a talk for the children about food wastage and food insecurity in Singapore. MP Faisal Manap joined the children at One Blue Heart Centre in Bedok North to prepare and distribute the food bundles for the beneficiaries.

## A Hero for Everyone

### Little Atlas Preschool

The aim of the centre's SSDB project was to inspire their little innovators to become heroes by extending their helping hands to others in need. They embarked on a variety of activities, such as raising \$2,500 to purchase 500 care packs which they distributed to senior residents and families in need, and caring for the environment by picking litter at the beach. As part of their project, the children celebrated a unique group of community heroes: speech and occupational therapists. This group is extra special because one of these therapists was a Little Atlas parent. The children learned about people who are deaf and non-verbal, and how sign language and AAC (augmentative and alternative communication) can help them in daily life.

Thank  
you!

## Many Helping Hands Caring For Everyone

### Little Beez Playskool

The centre collaborated with Jamiyah Home for the Aged (Darul Takrim) to provide opportunities for the children to connect with the elderly. Parents contributed items requested by the Home in July, and the children made a big 'Thank You' card to express their gratitude to all the parents who donated generously. The children bonded with the elderly through hands-on activities and performed for them to familiar tunes such as 'Chan Mali Chan'. Looks of joy and happiness were apparent on the faces of the elderly as they smiled and exchanged hugs with the children!

## Gardening Fun!

### Little Footprints Preschool (Admiralty) x Sunshine Welfare Action Mission (SWAMI)

For the 3rd consecutive year, Little Footprints Preschool (Admiralty) partnered with Sunshine Welfare Action Mission (SWAMI) Home for intergenerational collaboration. The children and seniors were very excited to finally meet each other face-to-face for activities post-COVID for the first time! Together with parents and seniors from SWAMI, the little gardeners planted a variety of seeds in the Home's garden. The children and parents revisited SWAMI to donate essentials, check out the plants and performed to the seniors, featuring a special appearance by Sharity!

\* This collaboration was facilitated by Agency for Integrated Care and supported by Community Chest.

# Inclusive Community: Coexistence between man and animals

## Little Footprints Preschool (Jurong East 248)

The centre's SSDB project started from a discussion on how animals play an important role in the community. The children learned how people hurt animals, such as getting stuck in nets and other man-made items and how a dirty environment can make animals sick. They decided to do something to help the animals in their own small ways, such as giving them shelter and caring for them. The children had a session with ACRES (Animal Concern Research and Education Society) on how animals and humans can co-exist, its benefits, and what to do when encountering native wildlife in Singapore. The centre organised a craft and books sale, seeking support from parents to donate to ACRES, and a total of \$900 was raised!

# Arts & Craft Fun!

## Little Skool-House At Temasek Polytechnic x NTUC Health Nursing Home (Tampines)

Little Skool-House at Temasek Polytechnic and NTUC Health Nursing Home (Tampines) started their inaugural SSDB collaboration this year. The children delighted the seniors by performing Teresa Teng's cherished classic, 'Tian Mi Mi,' with the elderly residents singing and clapping along.

In a heartwarming display of intergenerational collaboration, the children and seniors worked together to craft a 'tree' using their handprints. The session was filled with happiness and laughter, painting a heartening picture of both seniors and children who wore radiant smiles throughout the session.

\* This collaboration was facilitated by Agency for Integrated Care and supported by Community Chest.

# We Are Able

## M.Y World @ Admiralty

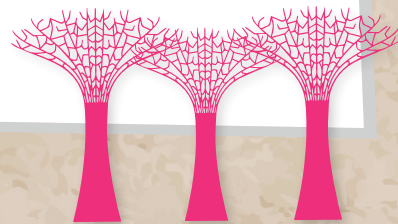

Through their project, the centre wanted to create awareness in the children about the different types of disabilities, and to instil kindness and compassion in them. They invited SPD to share about how their organisation works to help persons with disabilities. During the span of 10 weeks, the children engaged in interesting activities such as learning about the different types of visual impairment and tools that help the blind in their daily life. They also learned about the challenges of the hearing impaired and the help available to them, such as hearing aids and sign language. The children too learned about the challenges faced by persons with physical disabilities and the facilities available for them in Singapore. The centre then organised a Charity Carnival to raise funds for SPD, which was a success, thanks to the unwavering support of parents!

# The Supertrees are Super!

## M.Y World @ Bidadari Alkaff Vista

The children were introduced to Singapore's innovative use of clean, renewable energy, exemplified by the installation of solar panels on the iconic Supertrees. Inspired by this concept, the children created their own solar-powered Supertrees from recycled materials. This hands-on experience not only taught them about sustainable energy sources, but also empowered them to contribute to environmental consciousness through their own inventive projects.

# Little Champs Big Heart Food Drive

## MindChamps Preschool @ Jurong West Pte Ltd

In collaboration with The Food Bank Singapore, the centre encouraged their Champs and their parents in a donation drive for non-perishable food items. Their aim of their SSDB project was to make a positive impact on the lives of those facing food insecurity. The children went on a learning journey to The Food Bank Singapore where they gained insights into the organisation's efforts to combat food insecurity and reduce wastage in Singapore. Interactive discussions prompted reflection on their roles in reducing waste and adopting mindful eating habits. The Champs were able to develop an understanding of personal responsibility and are empowered to make conscious choices that contribute to a sustainable future.

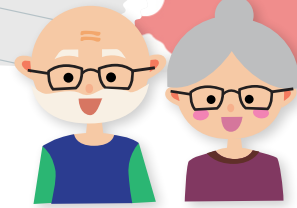

# Together We Make A Difference

## MOE Kindergarten @ Westwood

The centre collaborated with the Down Syndrome Association (Singapore) for their SSDB project to promote inclusiveness and awareness on Down Syndrome. The children led a virtual Zumba medley workout for their friends at the DSAS, which they all enjoyed. Another activity the children did was to create slime gifts as tokens of friendship after learning that exploring sensory materials. Parents generously donated the ingredients for making the slime. It was a beautiful collaboration indeed!

# Care and Respect for our Grandparents

## My First Skool @ Block 503 Bedok North

As part of their SSDB project to care for and respect their grandparents, the children invited their grandparents to have breakfast in class and bonded with them through games that the children created. They also invited their grandparents to join them in their National Day celebrations during their teabreak and exercised together to National Day songs. During the June holidays, the children spent time with their grandparents by interviewing them and sharing what they've learned about their grandparents with the rest of the class!

# Green and Love

## My First Skool @ Punggol South

From an empty plot in their garden, the children grew and tended to a harvest of healthy vegetables to share with their community. They had their first Farmer's Day Market where they invited families and friends of their centre to visit and trade goods in exchange for their vegetables. The goods were then donated to the NTUC Health Senior Day Care at Ci Yuan CC. A small act of kindness can spread and have a big impact on others!

# Think Sustainable, Act Responsibly

## My First Skool @ Telok Blangah Heights

The centre's SSDB project aimed to promote mindful activities and choices that prioritize environmental preservation and restoration. They embarked on a partnership with Sembcorp and Preschool Market to champion plastic recycling. The collaboration exemplified the transformative impact that collective efforts can bring to the community. Through their partnerships, the centre witnessed the incredible potential that arises when many hands come together for a common cause. By recycling plastic, we are not just addressing an urgent environmental concern but also nurturing a sense of shared responsibility among our children, their families and the wider community. "Sustainability is not a solo journey; it is a collective dance of countless individuals moving together towards a harmonious future."

## Bonding with Dads

### PCF Sparkletots Preschool @ Ang Mo Kio-Hougang Blk 632 (DS)

The centre collaborated with 'DADs for Life.' for their SSDB project. One of their activities was 'Breakfast with Dads', a bonding session which brought the children and their dads together for a fun-filled morning. They played games and other interactive activities, and enjoyed a simple yet sumptuous spread of nutritious breakfast. "Good fathers do three things: they provide, they nurture, and they guide." - Roland Warren

# It Takes A Lot of Blue to Stay Green

## PCF Sparkletots Preschool @ Ayer Rajah-Gek Poh Blk 748 (CC)

The children embarked on their SSDB journey through the adventures of their water heroes: Water Wally and Water Sally. They learned about how climate change affects our weather and how this will greatly impact our water supply. They decided to become water heroes and remind themselves and their friends to save water. The children also did experiments on water filtration to learn about how our water is being recycled, and they started planting using their water filtered pot recycled from plastic bottles. The plants they grow will then be used to cook healthy soups for their teachers and themselves.

# Harmony Begins with Us

## PCF Sparkletots Preschool @ Braddell Heights 417 x ECON Medicare Centre - Braddell

2023 marks the third year of intergenerational collaboration between PCF Sparkletots Preschool @ Braddell Heights 417 and ECON Medicare Centre @ Braddell. The children crafted art pieces, both in class and at home, and gifted them to ECON Medicare Centre @ Braddell. In a heartwarming exchange, the seniors painted a beautiful canvas.

The children also orchestrated live performances and engaging Chit Chat sessions with the seniors virtually. The collaboration has nurtured the children to be empathetic, respectful and confident in interacting with others.

\* This collaboration was facilitated by Agency for Integrated Care and supported by Community Chest.

## Every Giving of Little Kindness Matters!

### PCF Sparkletots Preschool @ Kembangan-Chai Chee Blk 326 (KN)

The centre had the opportunity to collaborate with the Secondary 4 students of Damai Secondary as part of their Values In Action programme with their children. The collaboration's aim was to nurture the values of teamwork and kindness through bonding activities. One of their other SSDB project activities was making appreciation desserts such as 'The Giving Cookie' and 'The Kindness Marshmallow' for their friends in class. For their project closure, the children worked with their families to pack food donation items for the Food Bank.

## Caring and Sharing Hearts

### PCF Sparkletots Preschool @ Nanyang Blk 934 (KN)

The centre involved their Parent Support Group (PSG) in their SSDB project. They were invited to share about the importance of the 3Rs (Reduce, Reuse, Recycle) and how to put them into practice. Parents in the PSG participated actively in brainstorming with the children on what they can do for the residents at Jurong West Nursing Home. They helped to engage the children in creating crafts for them using recycled materials and planned upcycling craft activities with the elderly residents. The residents created colourful art works made of bottle caps, spoons and egg cartons! Through the visit, the centre hoped that they helped nurture the children to be more appreciative and respectful to everyone around them.

## Helping Hands

### PCF Sparkletots Preschool @ Sengkang West Blk 330A (DS)

As part of their SSDB project and their Inter-Generation program, the centre visited St. Luke's Eldericare. Parents contributed generously, while the children prepared goodie bags for the elderly residents. The children not only handed out these goodie bags but also actively engaged with the elderly residents. They performed for them, engaged them in interactive games and showcased their creativity by crafting Thank You cards. This experience instilled a sense of empathy and the importance of respecting the elderly.

## Kid's Go Green

### PCF Sparkletots Preschool @ Yew Tee Blk 690D (KN)

The centre organised the "Kids Go Green" Carnival to raise awareness on environmental issues and promote their "Go Green" programme which is inspired by the Singapore Green Plan 2030. This carnival was designed to engage parents and children to learn about sustainable living. Each classroom was assigned a theme related to environmental conservation, namely the 3Rs, water conservation, food waste, energy conservation and biodiversity. Goody bags containing learning resources and snacks were prepared for parents to collect with their children, along with coupons to participate in the variety of activities!

# Little Helping Hands

## PLAYscapes @ 4PM

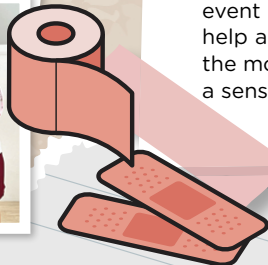

For their SSDB project, the children wanted to raise funds for the Singapore Children's Cancer Foundation. The centre's hope was to instill empathy and compassion in their children so that they will grow up to be caring and loving adults. The children started out by drawing and painting on tote bags. They organised a Family Day celebration involving parent volunteers. Tickets for the carnival games were sold to raise the funds for their charity of choice. They managed to raise more than they expected with the strong support from parents!

## Many helping hands, caring for everyone!

### SDM Tinkerland Childcare Centre

The centre collaborated with Singapore Red Cross to educate the children on first aid. Through hands-on activities, the kids learned about the different aspects of safety and practical skills such as applying bandages to injuries. Upon reflection, the children shared that in the event of emergencies, they can use their little hands to help and take care of others. They can also help alleviate the momentary fear and pain of the victim and give them a sense of assurance that everything will be all right.

# Project Helping Hands

## Skool4Kidz @ Tampines Greenleaf

The centre partnered with Brahm Centre for their SSDB project. They organised a food drive and donations were raised through the sale of artworks by the children. With the support of generous parents, a total of 42 food hampers were packed and distributed to those in need staying in Tampines, Simei and MacPherson. Throughout the project, the children learned that they can contribute in small yet meaningful ways to society. It was a meaningful journey for the children indeed!

# Awareness on Deaf Culture

## Spring Brainy Kidz @ Twin VEW

The centre partnered with the Singapore Deaf Association to bring awareness on deaf culture to the children. As part of their project, the children learned simple sign language that they can use to communicate with the deaf community. Representatives from the Singapore Deaf Association conducted a storytelling and sign language session for the children. By hearing from the deaf community about their personal stories, the children gained a deeper understanding on the experiences and perspectives of individuals with hearing differences. Learning sign language and experiencing a different mode of communication helped the children appreciate the diversity in our society and foster inclusivity. The project also encouraged parents and sibling engagement through the learning of sign language together!

# Caring for All Through Kindness

## Star Learners @ North East Pte Ltd

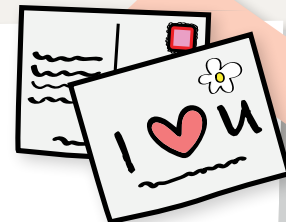

The centre's SSDB project focused on kindness. One of their activities was to make handwritten cards with their parents to present to the centre's support staff on Support Staff Appreciation Day. The children took on the role of cleaning their own tables after lunch and tea break, and even presented the support staff with snacks and a class photo to thank them for their hard work. Another SSDB activity they did was organising a Family Day Carnival, where they gave back to the community by collaborating with community partners such as Xin Yuan Community Care, Families For Life, ActiveSG, and Nuffield Dental. Families donated food items for Xin Yuan Food Wise Good Life program.

# Collaboration with NLB

## Sunflower Preschool @ Frankel

The centre maintained its collaborative ties with the National Library Board (NLB) this year, showcasing its engagement by establishing an interactive booth at Bedok Public Library at Heartbeat @ Bedok. Through this endeavor, the children participated in designing and creating engaging displays focused on library etiquette. Their creativity and innovation shone through their artwork! The centre invited everyone to show support by visiting their booth at the children's book section. This initiative not only fostered learning within the community but also highlighted the preschool's commitment to enriching the library experience for all.

## Caring for Construction Workers

### Sunflower Preschool @ Teck Ghee

For their SSDB project, children and parents came together to express gratitude to the workers at the Tavistock MRT construction site. Parents contributed snacks, drinks and towels, while children packed and created thank-you cards. The event featured performances by the children, who eagerly presented their tokens of appreciation to the construction workers and asked them questions. The workers reciprocated the children's kindness by gifting them with pencil case kits. This shared moment of care and appreciation left an indelible mark on everyone involved, exemplifying the power of "Sharing is caring."

## Flowers of Gratitude to our Community Helpers

### Sweetlands Childcare @ Woodlands

The centre kicked off their SSDB project by encouraging the teachers and children to dress up as community helpers in their neighbourhood, along with a show and tell. They then made colourful pinwheels to distribute to the community helpers around their neighbourhood as a show of appreciation. The little ones were excited to express their thanks to these helpers for making their Woodlands neighbourhood a safe, clean and delightful one for everyone.

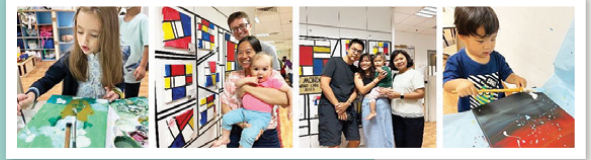

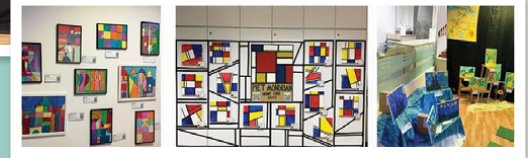

# Art Exhibition

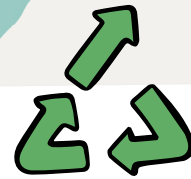

## The Schoolhouse by Busybees - Prinsep

With the objective of giving back to society, the centre embarked on a journey to raise funds for the less fortunate. Working hand in hand with FILOS Community Services, the children created adaptations of art pieces by famous artists such as Vincent Van Gogh, Claude Monet and Paul Klee. Each art piece was put up for sale with a starting price of \$30. Parents were invited to view their children's masterpieces and engaged in conversations with their children about the art pieces. Digitalization was also incorporated with QR codes linking to video and audio notes where children explained their art pieces. Everyone enjoyed the experience and the opportunity to support the less fortunate with the sale of their art pieces.

## YWCA (Bishan) Child Development Centre

The children understood that protecting nature and the environment is everyone's responsibility, and wanted to spread the awareness to others. One of their SSDB project activities was to create brochures to promote care for our environment and to distribute the leaflets to the public. They practised speaking to members of the public to convey their message, and successfully approached the aunts and uncles in their neighbourhood. They put their words into action by picking litter around their neighbourhood, including the park, void decks, corridors and playgrounds.

# Guru prasekolah sumber inspirasi, bentuk nilai murni

## Nekek cetus inspirasi jadi pendidik prasekolah

Menyaksikan neneknya mengajar pelajaran agama kepada kanak-kanak di kejiranan rumah mereka dari kecil menarik minat dan memberi inspirasi kepada Cik Kartini Johari, 38 tahun, untuk mengikut jejak langkah neneknya menentu pendidik.

Hingga kini, Cik Kartini masih meneruskan kecenderungan dalam bidang pendidikan dan mengajar peringkat prasekolah di Cherie Hearts @ Charfion Pte Ltd selama lebih 15 tahun sekarang.

Permulaan perjalanannya sebagai pengajar terduduk pada 2006 ketika beliau mengajar di Tadika Naysan Masyarakat (PNP) (PCF) selama dua tahun. Pada masa yang sama, beliau meneruskan pengajiannya di Kolej Learning Capital pada 2007 dan meraih Diploma dalam Pendidikan Prasekolah (Pengajaran) dan kemudian Diploma dalam Pendidikan Prasekolah (Keperluan) pada 2008 di kolej yang sama.

Beliau kemudian berkhidmat di Cherie Hearts pada 2008 dan menjadi pengetua sejak 2012 sehingga sekarang.

Dalam menjalankan tugas sebagai guru prasekolah, beliau juga menyumbang pelajarannya sehingga meraih Sarjana Muda Sastera dalam Pendidikan Awal Kanak-kanak di Universiti Wales pada 2013 dan kemudian Sarjana Sains dalam Pendidikan Awal Kanak-kanak di Kolej Wheelock pada 2015.

Beliau memulakan untuk meneruskan minatnya menjadi guru dan kerjaya di Cherie Hearts.

"Saya lebih minat mengajar kanak-kanak prasekolah kerana le-

"Saya ingin terus mencipta peserta didik positif dan membina untuk kanak-kanak dan saya juga berharap mereka akan terus belajar dan mengamalkan sikap ingin tahu terhadap segala sesuatu."

— Cik Kartini Johari, guru prasekolah di Cherie Hearts @ Charfion Pte Ltd.

bi mudah untuk berhubung dengan mereka dan berpeluang lebih besar untuk membentuk watak mereka memandangkan mereka masih di peringkat umur yang awal," kata beliau.

Beliau bersetia seronok meneruskan kerjaya itu kerana ia membentuk peluang meningkatkan kemahiran mendidiri pembagi kursus dan menyempatkan ilmu kepada guru lain semasa sesi pertemuan dan perkongsian.

Minatnya yang mendalam juga terpacar melalui penglibatan berterusan dalam kerja kemasyarakatan bersama Cherie Hearts, seperti menjemput acara Hari Usahawan Muda bersama Pengarah Cherie Hearts, Cik Brands Ng, serta kajiannya pengurusan.

Acara itu, yang diadakan sepe-

ti karnival pada awal tahun ini, merupakan sebahagian daripada projek tahunan Pusat Impian Kecil (SSDB) tahunan — satu inisiatif oleh Agensi Pembangunan Awal Kanak-kanak (EoA). Kanak-kanak di Cherie Hearts diperkenalkan kepada ilmu oleh leutikawan asas dan konsep keusahawanan, sambil mempelajari keperluan menyumbang kembali kepada masyarakat.

Di karnival itu, kanak-kanak Cherie Hearts memakai topi penganjur, menjadi jurujual dan usahawan dengan menjual makanan dan minuman, kraf tangan hasil mereka serta melayani para pengunjung.

Dalam penglibatannya di karnival itu, Cik Kartini menugaskan tugas kepada guru-guru, serta membuat penilaian tentang perkara yang diperlukan bagi acara tersebut.

Pada hari karnival berlangsung, Cik Kartini memastikan pelaksanaan acara berjalan lancar dan melakukan penilaian bersama kakitangannya pengurusan di akhir acara.

Menurut penglibatan sebegini, kanak-kanak di Cherie Hearts mempelajari sikap tidak putus asa dan pelbagai nilai murni seperti keyakinan dan tanggungjawab.

"Saya ingin terus mencipta peserta didik positif dan membina untuk kanak-kanak dan saya juga berharap mereka akan terus belajar dan mengamalkan sikap ingin tahu terhadap segala sesuatu," kata Cik Kartini, sambil menekankan pentingnya sikap tidak putus asa, tidak cepat menyerah kalah dan percaya bahawa ada jalan penyelesaian pada setiap masalah.

儿童是回家的未来，在推行可持续发展的道路上，本地学前中心纷纷推出垃圾分类、旧物交换、废物利用等多种活动，为幼儿树立环保意识，让废旧物重获新生。

大巴窑中心的幼儿园配合今年种族和谐日，组织了一项交换旧玩具的活动。

幼儿园园长陈文清受访时说

说，活动当天，透过家长协助清洗消毒，全国的小孩都从家中带一件旧玩具，和班里的其他小朋友做一对一交换。

这些毛绒玩具、乐高、积木等对于原主人而言，大多已经失去新鲜感，但在娱乐价值上并无损耗，对于其他孩子来说像获得新玩具一样。交换旧玩具，不仅增进孩子们的情谊，也让玩具重获新生，在新主人手中受珍视，而不是继续在家中被冷落。

此外，今年8月期间，幼儿园组织K2班孩童及家长到东海岸海滩清理垃圾。陈文清说，环保意识须践行在日常生活中，园方希望用简单的方式让孩子们知道，环保应从小事做起，这些举动离他们的生活并不遥远。

她说：“我们告诉孩子们，如果海滩上有垃圾、塑料袋，就会被海浪冲进海里，鱼要怎么呼吸呢？我们很高兴从家长得知，很多小朋友现在会在出门购物时，提醒父母带环保袋，减少使用塑料袋。”

另一所幼儿园冠智学习与艺术天地 (Nobledun Arts N Learning Place) 的捞鸭水滨 (Waterway) 园区今年也举行一系列的环保活动。

幼教林芷彤 (27岁) 说，由

于去年向小朋友们介绍不同纸类的回收，今年在设计回收课程教学时，重点放在塑料。幼儿设立回收角落，并让小朋友将家中的饮料瓶、洗洁剂瓶、饼干罐等塑料制品洗净晾干后带到幼儿园，一起学习塑料的分类以及如何回收。

## 从回收循环与艺术审美 不同渠道提高环保意识

冠智学习与艺术天地还与新加坡美术馆合作，为学前中心的孩童举办艺术工作坊，并让K2班级的孩童接触现代艺术，然后发挥他们想象力与创造力，利用纸箱、塑料管、轮胎、水瓶、花盆等废弃物制作成艺术品。

冠智学习与艺术天地创办人及总监蔡伯彦受访时说：“这项活动非常有意义，一个是从回收再循环的角度，另一个是从审美和艺术的角度出发，让孩子们从不同的渠道提高环保意识，从而达到环保的教育目的。”

这些艺术品在今年的“想！学前现代展” (Think! Contemporary Preschool Exhibition) 中展出，冠智学习与艺术天地不同园区共有九件学生设计制作的艺术品参展。

# Our deepest appreciation to our partners for making **Start Small Dream Big 2023** a big success!

The President's Challenge is a national movement led by the President to rally Singaporeans to build a caring and cohesive society together. An annual community outreach, President's Challenge aims to bring together people from all walks of life, under the President's patronage, to help those who are less fortunate. 100% of the donations raised under President's Challenge goes to beneficiary organisations supported by President's Challenge.

President's Challenge was established in 2000 by the late Mr S R Nathan as a fund-raising campaign to help the less fortunate. In 2012, Dr Tony Tan expanded the Challenge to include Volunteerism and Social Enterprises. In 2018, President Halimah Yacob refocused the effort of President's Challenge towards the empowerment of vulnerable groups with skills and employability. An Empowering for Life Fund was set up to support programmes in skills upgrading, capacity building and employment of vulnerable groups.

More information on President's Challenge can be found at <http://www.presidentschallenge.gov.sg>.

# Start Small Dream Big

PRESIDENT'S  
CHALLENGE

2023

'**Start Small Dream Big**' was initiated by the Early Childhood Development Agency in 2015 to celebrate SG50 and the President's Challenge's 15th anniversary. Its aim is to build an early childhood community that inculcates good values in our children and encourages them to give back to society.

ECDA works with participating centres to design and implement community service projects over a period of six months, with the hope of making volunteerism a way of life for our young. 77,000 children from 1,130 preschool centres participated in '**Start Small Dream Big**' in 2023.

We believe that children are never too young to contribute to the community. We are heartened to see many '**Start Small Dream Big**' projects that touch lives and effect change. Through these, projects, our children learn to be kind, compassionate and active citizens. Parents and family members too play an important part in the children's efforts. We thank all of you for your support.

No one can do everything, but everyone can do something! It is our wish for the nation that every child do a good deed every day, to make the world a better place.
